

ASSASSIN'S CREED™

Assassin's Creed

The setting is 1191 AD. The Third Crusade is tearing the Holy Land apart.

You, Altair, intend to stop the hostilities by suppressing both sides of the conflict. You are an Assassin, a warrior shrouded in secrecy and feared for your ruthlessness. Your actions can throw your immediate environment into chaos, and your existence will shape events during this pivotal moment in history.

Release date: 10 April 2008

Genre: Action

Game Features

- ❑ Be an Assassin - Master the skills, tactics, and weapons of history's deadliest and most secretive clan of warriors. Plan your attacks, strike without mercy, and fight your way to escape.
- ❑ Realistic and responsive environments - Experience a living, breathing world in which all your actions have consequences. Crowds react to your moves and will either help or hinder you on your quests.
- ❑ Action with a new dimension – total freedom - Eliminate your targets wherever, whenever, and however. Stalk your prey through richly detailed, historically accurate, open-ended environments. Scale buildings, mount horses, blend in with crowds. Do whatever it takes to achieve your objectives.
- ❑ Relive the epic times of the Crusades - Assassin's Creed immerses you in the realistic and historical Holy Land of the 12th century, featuring life-like graphics, ambience, and the subtle, yet detailed nuances of a living world.
- ❑ Intense action rooted in reality - Experience heavy action blended with fluid and precise animations. Use a wide range of medieval weapons, and face your enemies in realistic swordfight duels.
